Trust Information

Ashford and St. Peter's Hospitals NHS Trust manages two sites - Ashford Hospital in Middlesex and St. Peter's Hospital in Chertsey, Surrey.

The Trust as a whole provides acute hospital services to a large and diverse population, with a catchment of around 450,000 stretching from West Hounslow to Woking across the Boroughs of Hounslow, Spelthorne, Elmbridge, Runnymede and Woking

Philosophy of Care (Medical)

We aim to treat every patient as an individual

The care patients/relatives receive will be safe, provided by skilled healthcare professionals who whilst ensuring patient confidentiality will openly communicate effectively with both patient and relative

The care provided will be of a high standard and provided by professionals in a warm and friendly atmosphere

Religious and cultural beliefs will be promoted by all staff involved in care giving

Advice, support and counselling and health education will be provided to help patients and their families obtain the most from their stay with us in preparation for discharge

Aims of Service

Is to provide nursing care for patient's pre and post operatively (colorectal, upper GI, urology patients). Also sometime we look after medical or orthopaedics patients. We promote speedy recovery post-surgery. We work closely with other MDT members to provide safe discharge.

Team members

Students will work with and alongside all the members of the nursing team, including Ward Manager, Deputy Sister / Charge Nurse, Senior Staff Nurse, Staff Nurse, Health Care Assistant and the Ward Clerk.

There are a variety of other healthcare professionals who care for patients on Falcon Ward. These include the Consultants and their surgical, medical team, Stoma Nurses, Discharge coordinators, Physiotherapists, Occupational Therapists, Pharmacists, Dieticians and Social Worker.

Staff Development

Link Nurses

Falcon Ward supports the Link Nurse; the role is to ensure that all members of the team are aware of current practice and policies within their designated role. The link attends regular meetings to update their knowledge and also influence future practice through contributing to Trust policy development. You should find out who the Link Nurse is on Falcon ward for the following specialities:

- Nutrition
- Infection Control
- Wound Care
- Palliative Care
- Continence
- Diabetes
- Minimal Handling
- Mentoring
- Falls

Professional Development

Nursing staff on Falcon are able to undertake continuing professional development in care areas such stoma care, PN care, palliative care, ERP

Daily Routine

Handover - The start of a shift begins with 'handover' or 'report' of patient information, this promotes continuity of care and allows staff to review and plan care. All patients are discussed with the nurse in charge and therapists.

Multi Disciplinary Team (MDT) meetings

Protected Meal times

Falcon Ward has protected meal times at lunch and supper; this time allows the nursing staff to facilitate serving of the meal and to monitor the food consumed.

Referral Criteria/ Admission methods

Patients are admitted to via a number of different routes: from A&E,SAU, a booked admission, after attending an outpatient's clinic, discharge from Surgical High Dependency Unit/ ITU or transferred from another hospital.
